TOP DOWN CLEANING

THE CLEANING SPECIALISTS

EXTRA ATTENTION TO THE DETAILS

Deep Cleaning Checklist

A detailed reset for homes that need more than routine upkeep, with extra care for baseboards, fixtures, doors, and buildup.

Entire Home

- ☐ Clean and disinfect all reachable, uncluttered horizontal surfaces.
- ☐ Make all beds.
- ☐ Wash window sills.
- ☐ Vacuum all accessible floors (excludes behind or under couches).
- ☐ Mop all accessible floors (excludes behind or under couches).
- ☐ Detail baseboards, reachable light fixtures, switches, and outlets.
- ☐ Detail doors and door frames; spot clean with Magic Eraser where needed.

Bathrooms

- ☐ Remove hard water and rust where possible.
- ☐ Clean shower and tub.
- ☐ Clean and disinfect toilet and air vent.
- ☐ Clean vanity and mirror.
- ☐ Clean under sink.
- ☐ Clean cupboards, cabinets, and drawers; interiors only if empty.
- ☐ Vacuum and mop floors.
- ☐ Detail baseboards, light fixtures, switches, and outlets.
- ☐ Detail doors and door frames; spot clean with Magic Eraser where needed.

Kitchen

- ☐ Clean sinks and counters.
- ☐ Wipe refrigerator exterior.
- ☐ Wipe cabinet and drawer exteriors.
- ☐ Wipe oven exterior.
- ☐ Clean inside and outside of microwave.
- ☐ Vacuum and mop floors.
- ☐ Detail baseboards, light fixtures, switches, and outlets.

Optional Add-Ons

Priced separately. Request these when booking.

- ☐ Window and window track cleaning
- ☐ Hand-wiping blinds
- ☐ Inside fridge
- ☐ Inside oven and vent hood
- ☐ Wall detailing
- ☐ Dishwasher rinse and load
- ☐ Carpet cleaning
- ☐ Upholstery cleaning

A Few Things to Know

Wall detailing is an add-on, not part of the standard deep clean.

Some marks on baseboards, doors, and frames may remain.

Mold in caulking and severe hard water may permanently stain or etch surfaces.

We do not use acid-based hard water removers on natural stone; results there cannot be guaranteed.
